NOTES

Natural Stone:

Our natural stone items showcase beautiful variations in colour, pattern, and texture, as they are sourced directly from nature. These inherent characteristics are unique to each piece, reflecting the authentic qualities of the stone. Customers should appreciate the individuality that these variations bring, as they contribute to the distinctive charm of every natural stone item. Additionally, proper regular care and maintenance are essential to ensure the longevity and continued beauty of your natural stone product.

Timber:

Timber products may present natural variations in grain, colour, and texture due to the diverse characteristics of wood. These variations are an integral part of the material's authenticity and contribute to the overall aesthetic appeal of each item. Embracing the natural irregularities of timber adds to the uniqueness of the finished product. It is crucial to undertake proper regular care and maintenance to preserve and enhance the beauty of your timber item.
